

Thank You

Northern Settlement Services would like to acknowledge with gratitude the efforts of the University of Newcastle Law Student's Association for their generosity in donating \$2,362 to NSS.

The funds were raised through a Trivia Night held on 27th March 2017 with the money to be used to purchase resources to allow NSS to continue supporting NSS programs and activities for vulnerable refugee children and young people in our community.

Once again a big thank you to all that participated and donated at the Trivia Night.

Thanks
