

Aged Care Support Worker – Newcastle & Central Coast

Northern Settlement Services Ltd (NSS) is a leading community based not for profit organisation providing a range of services in the areas of migrant / refugee settlement, welfare and aged care with a specific focus on Culturally and Linguistically Diverse (CALD) communities. Our vision is to achieve a society that promotes social inclusion, values diversity and actively provides support to ensure meaningful social and economic participation to assist individuals and families reach their potential.

We currently offer the following casual Aged Care Support Worker positions.

Northern Settlement Services provides support and care to older frail aged people over 65 years and mostly from culturally and linguistically diverse (CALD) backgrounds wishing to continue living quality and independent lives in their own homes.

You may be required to support carers and care recipients receiving Home Care Packages, Multicultural in Home Respite Service or the Hunter Multicultural Respite Service.

Aged Care Support staff provides assistance to care recipients under defined care plans based on their specific needs, with a view to improving their quality of life. These tasks may include helping care recipients with regular activities such as dressing, washing, meal preparation, prompting with medications, and transport to appointments or light domestic assistance in order to maintain a safe and clean environment for the care recipient and the carer
